Hera is a perfect combination of our design language and Nordic style. Magnetic Bezel with multiple color, whatever color you want, we provide. Die-cast aluminum housing with unique shape design provides not only special visual impression but also good heat dissipation. At front side, we use our patent design-magnetic bezel, so you can change bezel without cutting power or taking the whole fixture down. Still health is what we focus on this fixture. That's why we use deep reflector to make it **Anti-glare**. This model can provide best lighting experience for end-user.

Magnetic Bezel with optional colors
