

POLA 7W/9W CONVERSION  
3CCT FIRE RATED LED DOWNLIGHT

1 downlight, 2 version

TILT VERSION

FIXED VERSION

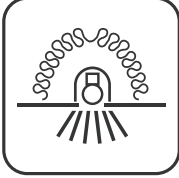

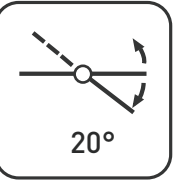

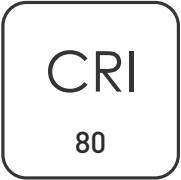

POLA is a multifunctional fire rated LED recessed downlight with external driver which contains two switches: 3CCT (3000/4000/6000K) & Power Changeable (7/9W), main purpose is to provide functional ambient light in commercial and residential places. Its discreet appearance, practicality, convenient power change and its amazing ability to blend well with other lights such as pendants or spotlights, make it an excellent lighting staple to highlight details and produce general lighting.

The cutout 66-78mm is for wide range of application. This downlight adopts fireproof bracket & aluminium heat sink, which not only meets the fireproof structure demand but also offers a good heat dissipation performance. Complete with high performance LED chips-COB. The reflector design with anti-glare effect. The fitting bezel can be fixed or tilt version which is versatile.
