**Tyrion** is ultra slim fittings with 26mm depth are allowed to be used low void space, The fitting is IP65 can be installed into the bathroom Zone 1 & Zone 2

The 3CCT DIP switch under the bezel allows users to select and change the colour of light after installation. We integrated the Loop in & Loop out terminal into the driver allow the electricians to install the downlight quickly.

The optic lens achieves the traditional aesthetic of a dichroic lamp with a clear light beam with gentle cut-off at the extremities for excellent lux level uniformity.

**3CCT DIP Switch**

**Twist & Lock bezel**

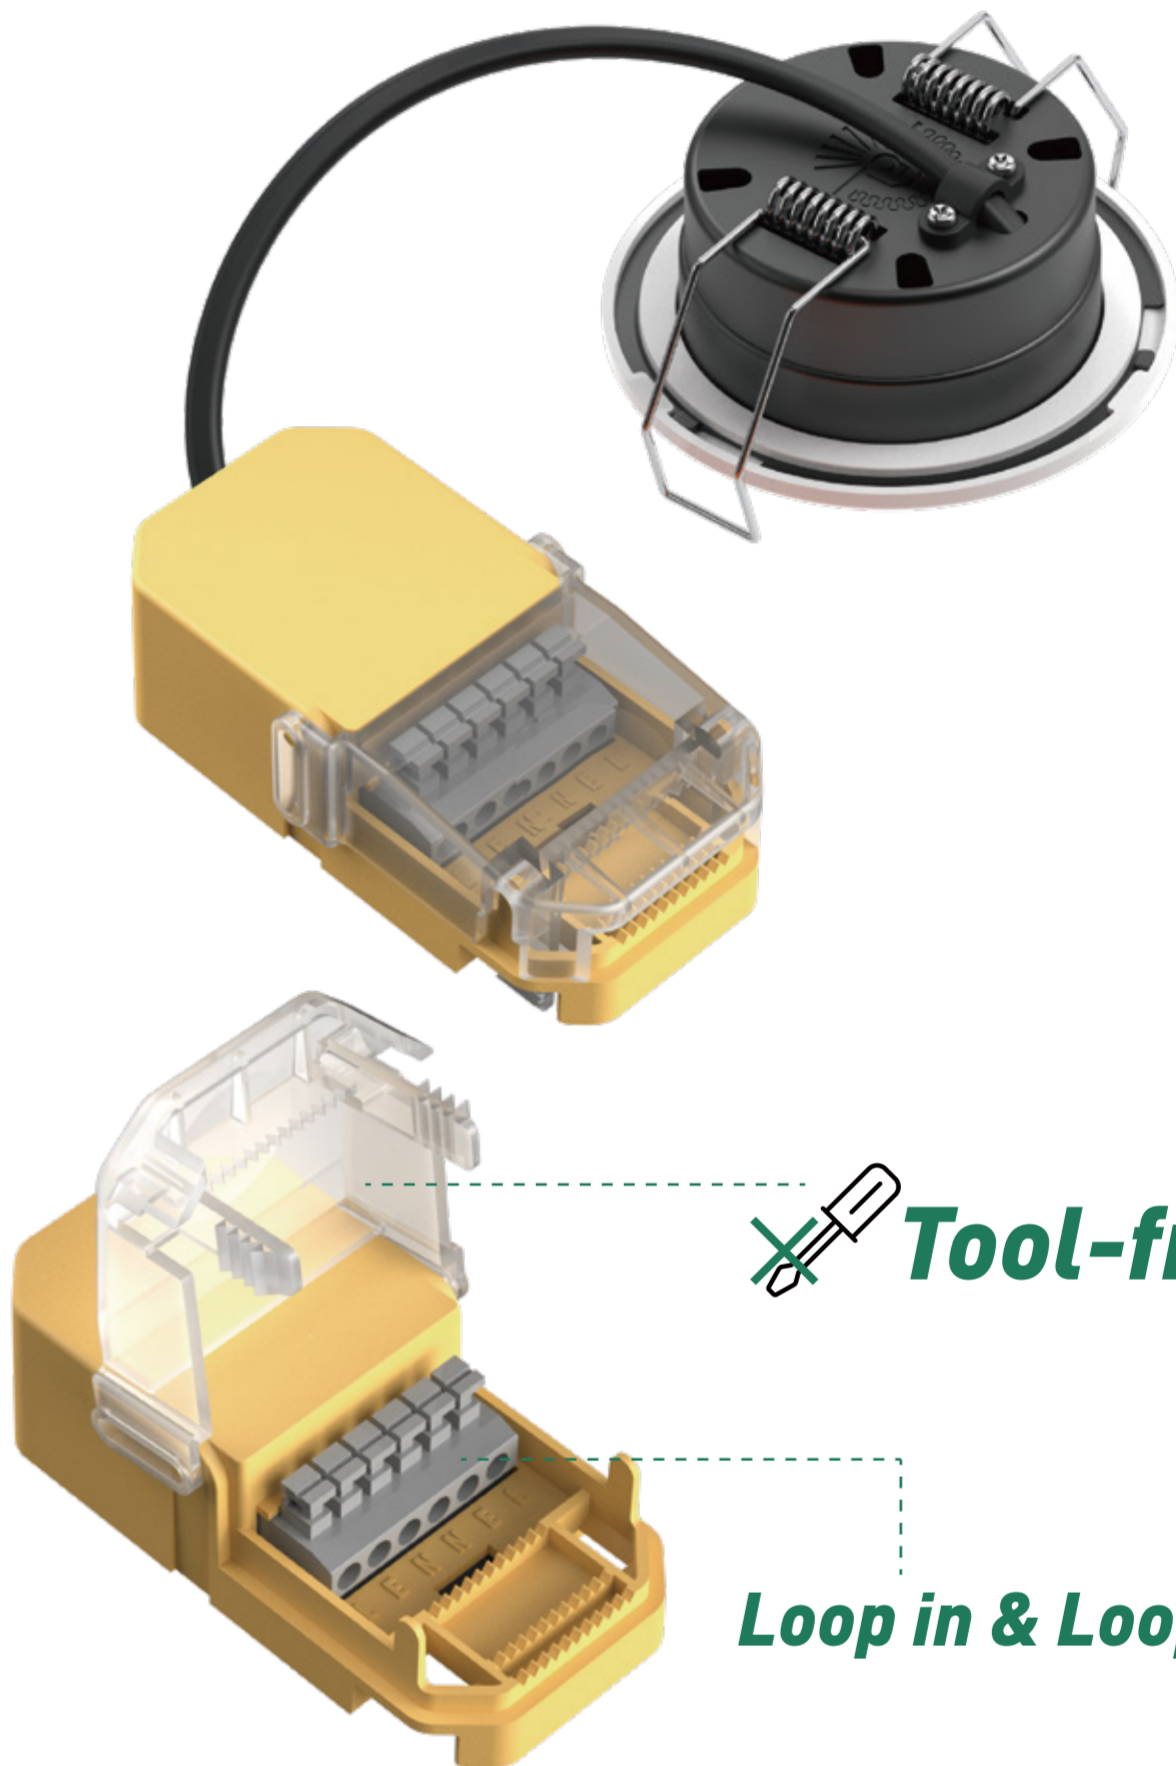

**White**

**Brushed**

**Chrome**

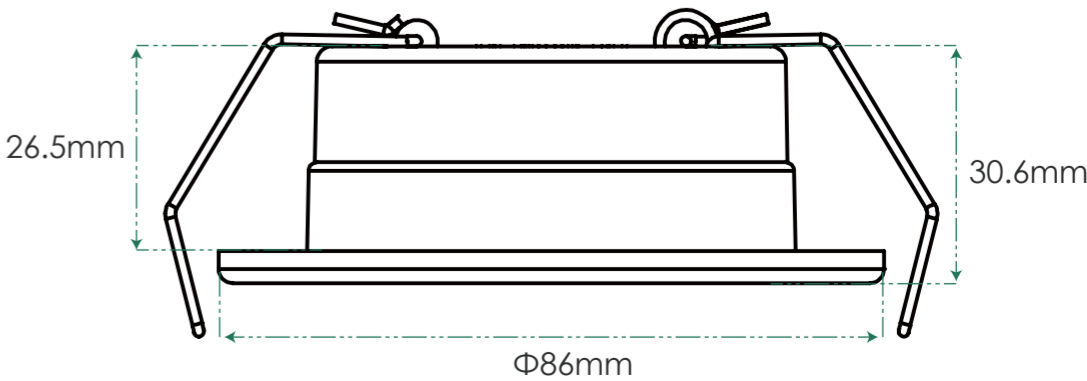

**Tool-free**

**Loop in & Loop out**

**Key Features:**

- ▲ BBC ,RT2012 Standard
