3CCT DIP Switch

Tyrion Orientable 6W

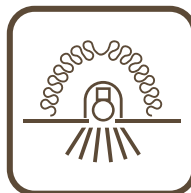

Ultra Slim Tool-free Fire Rated LED Downlight

Tyrion orientable 6W is an ultra slim fittings that allowed to be used in low void space.

The inner and outer bezels are interchangeable (white, black, chrome, brushed steel) to adapt to different applications. We integrated the plug & play connector fast-fit terminal into the driver that allows the electricians to install the downlight quickly.

It works on three color temperatures with dedicated LEDs to ensure better rendering and uniformity of light between each product. The 3CCT dip switch is integrated on the front panel to facilitate selection, even after installation. The CCT switch is then hidden by the finishing bezel.

With an appropriate degree of protection, this IP65 spotlight is ideal for bathroom lighting, kitchen lighting, lighting of toilets, lighting of all wet rooms in general.

Key Features:

- ◆ Part L1 & L2 compliance: Part B, C, E
- ◆ Fire rated to 30, 60 & 90 minute that compliant with Solid timber & I-Joist ceilings
